Mphasis appoints Vinay Kalingara as Head of Investor Relations

Bengaluru, June 20, 2024

[Mphasis](#), (BSE: 526299; NSE: MPHASIS), an Information Technology (IT) solutions provider focusing on [cloud](#) and [cognitive](#) services, today announced the appointment of Vinay Kalingara as the Head of Investor Relations. Vinay has over 25 years of professional experience that includes a unique blend of corporate and entrepreneurial experience in Investor Relations as well as various roles in the IT Services industry. In this role, Vinay will lead all aspects of Mphasis' engagement with the investor and analyst community.

Vinay joins Mphasis from LTIMindtree, where he was the Head of Investor Relations. Previously, he also led the Investor Relations functions at Mindtree and Hexaware. As a co-founder of a boutique Investor Relations advisory firm, Vinay has served prominent clients across the technology and consumer sectors. Vinay has also worked for several IT services organizations in technology strategy and delivery roles.

"Vinay brings unique and diverse experience from the IT industry and strong relationships within the investment community. We look forward to leveraging his expertise as the company continues its growth journey, aiming for newer areas of success and greater innovation. I extend my best wishes as he embarks on his new role at Mphasis," said **Nitin Rakesh, Chief Executive Officer, and Managing Director, Mphasis**.

"We welcome Vinay as he joins our team. His wealth of experience and expertise in leading investor relations functions will enhance our engagement with the investor and financial community. We look forward to working together towards our shared goals," said **Manish Dugar, Chief Financial Officer, Mphasis**

Vinay holds a degree in electronics from the University of Mumbai and is an alumnus of the postgraduate program at IIM Bangalore.

About Mphasis

Mphasis' purpose is to be the "Driver in a Driverless Car" for global enterprises by applying next-generation design, architecture, and engineering services, to deliver scalable and sustainable software and technology solutions. Customer-centricity is foundational to Mphasis, and it is reflected in the Mphasis' [Front2Back™](#) Transformation approach. Front2Back™ uses the exponential power of cloud and cognitive to provide hyper-personalized ($C=X^2C^{2TM}=1$) digital experiences to clients and their end customers. Mphasis' Service Transformation approach helps 'shrink the core' through the application of digital technologies across legacy environments within an enterprise, enabling businesses to stay ahead in a changing world. Mphasis' core reference architectures and tools, speed, and innovation with domain expertise and specialization, combined with an integrated sustainability and purpose-led approach across its operations and solutions, are key to building strong relationships with marquee clients.
